ANNUAL REPORT — 2024-2025 —

MESSAGE FROM LEADERSHIP

Sri M P Kumar

President - Rashtrotthana Parishat
Pro-Chancellor, Chanakya University

At the heart of Rashtrotthana Hospital are our CORE VALUES - Compassion, Respect, Dignity & Ethical Practices. These values are not mere words but the guiding principles that shape our actions and define our identity. They drive us to provide not just medical care but genuine warmth and support to every patient who walks through our doors. As we stride into the future, innovation remains at our ethos. Embracing technological advancements refining our methodologies and continuously learning are integral to our pursuit of excellence. However, amidst this evolution, our compassionate care will forever remain unwavering.

A defining and unique pillar of our hospital is our pioneering commitment to integrative medicine and research. We believe in treating the precision of Modern Medicine with the time-tested wisdom of Ayurveda, Homeopathy, Naturopathy and Yoga under one roof, we offer a truly comprehensive healing experience. Our dedicated research centre tirelessly works to validate and refine these protocols, bridging ancient knowledge with the modern evidence to ensure our community receives the most comprehensive care possible.

To everyone who has been part of this extraordinary journey, I extend heartfelt gratitude. Here is to a future marked by unwavering commitment, boundless compassion and continued success in serving our community.

I extend my heartfelt appreciation to all doctors, staff, donors, volunteers and well-wishers who are part of this noble journey.

Let us continue working together for a healthier and happier society.

MESSAGE FROM LEADERSHIP

Col (Dr.) Anand Shankar K
Medical Director - Rashtrotthana Hospital

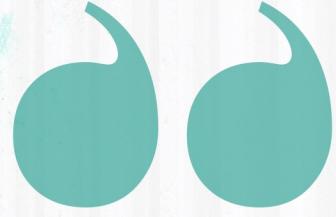

As Rashtrotthana Hospital completes three years of dedicated service, I express my sincere gratitude to our patients, donors, well-wishers and the entire hospital team for their unwavering trust and support.

Founded on the principle of Seva with Excellence, our hospital has grown into a multi-speciality tertiary care centre offering integrated healthcare, combining modern medicine with ancient health sciences. In these three years, we have strengthened infrastructure, expanded specialties, enhanced clinical and nursing excellence and progressed steadily on national accreditation pathways, while keeping patient safety and ethical care at the core.

Beyond treatment, we remain committed to affordable care, preventive health and community outreach, ensuring that quality healthcare reaches every section of society. Our charitable initiatives and donor support have enabled us to serve the underserved with dignity and compassion.

As we move forward, our focus will remain on clinical quality, continuous improvement, accreditation excellence and holistic patient care, guided by values and responsibility towards society.

With gratitude, we renew our commitment to serve with humility, integrity and dedication.

Rashtrrotthana in Rashtraseva

RASHTROTTTHANA PARISHAT

Rashtrrotthana Parishat, established in 1965, is a community service organization dedicated to building a healthy and sustainable society deeply rooted in Bharatiya ethos. Its initiatives are focused on

Education 25,000 + students

Inculcate Samagra Vyaktitva Vikas of students through Panchamukhi Shikshana.

Literature 1100 + publications

Authentic exploration of Bharat's true history, culture & heritage

Health 5.5 lakhs + beneficiaries

Nurturing healthier society through yoga, medical care and allied services

Service 4 lakhs + beneficiaries

Social empowerment through community engagement and sustainability initiatives.

RASHTROTTHANA HOSPITAL

Rashtrotthana hospital is a 162-bedded, 24x7 multi-specialty Tertiary Care Charitable Trust Hospital was founded with a motto of “सर्वे संतु निरामयाः” (May everyone be free from diseases). We are bound to make healthcare available, accessible and affordable to all the sections of the society.

Rashtrotthana Hospital is a beacon of compassion, excellence and integrity in healthcare.

What sets us apart is our integrated approach to healing? We harmonize Allopathy, Ayurveda, Homeopathy, Yoga & Naturopathy, offering patients a diverse spectrum of services under one roof. This unique fusion combines the precision of modern medical practices with the restorative principles of ancient traditions, providing comprehensive care tailored to individual needs. A healing sanctuary where integrated services converge to create a nurturing environment under one roof.

CORE VALUES

- Compassion
- Respect
- Dignity
- Ethical Practices

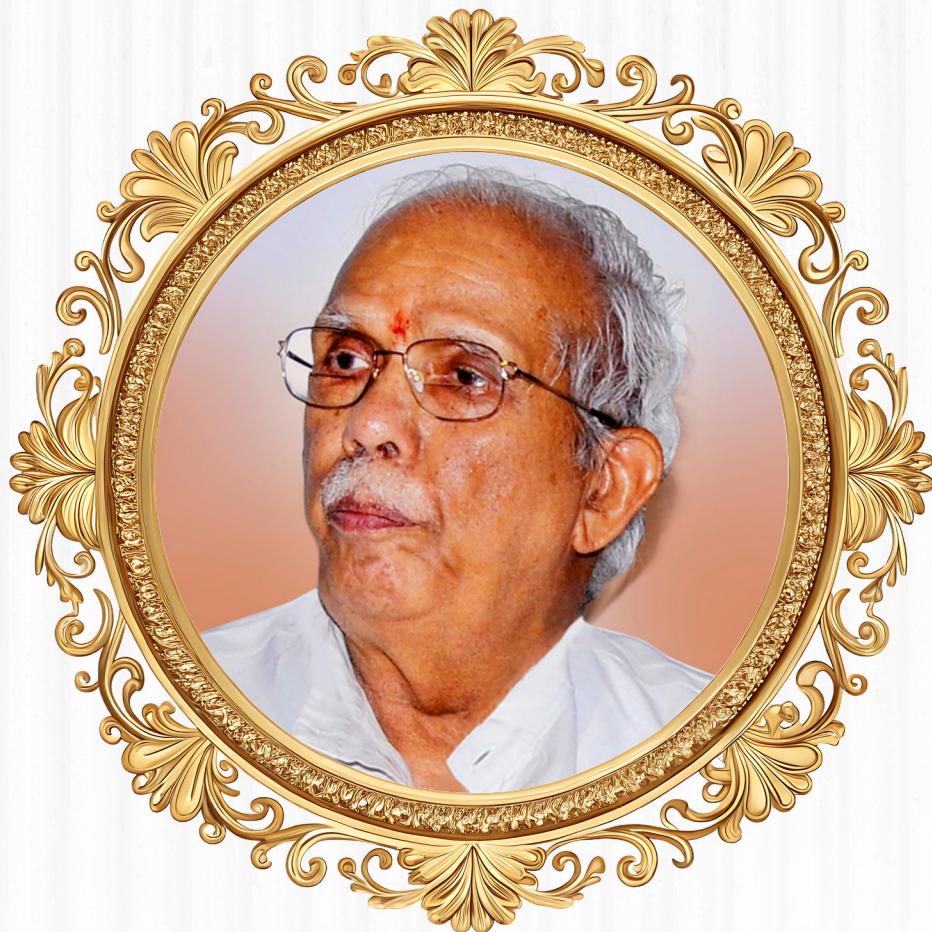

VISION

Swastha-Susthira Samājanirmāṇam -
(To build a healthy and sustainable society)

MISSION

- Integrated Health Care System
- Ethical Medical Practice
- Research to find solutions to the challenges of the Mankind
- Awareness on Lifestyle to build a sustainable healthy society
- Value based Team building to deliver Compassionate care

OUR INSPIRATION

Late Sri M.C. Jayadev

The visionary force behind Rashtrotthana Parishat, Sri M.C.Jayadev ji envisioned, nurtured and mentored the organisation from its inception.

He epitomised the fusion of duty and Nationalism, dedicating his life to the principle of “**One Life, One Mission**” in an unparalleled manner. Rashtrotthana Parishat is steadfastly moving towards its objective of building a prosperous and healthy society by virtue of the durable foundation laid by him.

His legacy serves as a guiding light, propelling us toward the realisation of its noble goals.

HOSPITAL OVERVIEW

Rashtrtthana Hospital is a 162-bedded, 24x7 multi-specialty Tertiary Care Charitable Hospital committed to making high-quality medical care, accessible to all sections of society. Our mission is driven by the principle that health is a fundamental right and no individual should be deprived of treatment due to financial constraints.

Our Core Beliefs

- Quality Healthcare for All
- Empathy at our service
- Innovation inspired by values
- Scientific excellence

We provide:

- Harmonised Allopathy, Ayurveda, Homeopathy, Yoga & Naturopathy blending the precision of modern medical practices with ancient wisdom providing comprehensive care tailored to individual needs.
- Lifestyle counselling & long-lasting wellness
- Advanced Emergency & Trauma Services (24X7)

SPECIALITIES

 General Medicine	 General Surgery	 Orthopedics	 Obstetrics & Gynaecology
 Paediatrics & Neonatology	 Gastro sciences	 Nephrology	 Urology
 Oncology	 Ophthalmology	 ENT	 Dental Science
 Dermatology	 Pulmonology	 Plastic & Reconstructive Surgery	 Cardiac Sciences
 Critical Care	 Anaesthesiology	 Neuro Sciences	 Psychiatry & psychology
 Endocrinology	 Rheumatology	 Trauma Care	 Vascular Surgery
 Ayurveda	 Homeopathy	 Yoga & Naturopathy	

INFRASTRUCTURE

Green & Sustainable Facility

Sustainability is not just a choice - it is a global responsibility. We are committed to adopting environmentally conscious practices that support a cleaner planet and a healthier community.

3-R principle: Reduce, Reuse and Recycle

Solar Power Utilization

- 220 KW of solar power generated daily,
- Covering a sizeable portion of the hospital's power requirements
- Ensuring reduced carbon emissions and eco-friendly energy usage

Serene Architecture

- Ample natural light throughout the premises
- Passive ventilation reducing the need for artificial cooling
- Divine healing aura and a therapeutic Sacral Mantra-led ambience
- Water Recycling
- Low-energy dependency solutions adopted across departments

Our Green Commitment

- Environmentally responsible healthcare
- Reduced carbon footprint
- Minimal use of Single Use of Disposable Plastic (SUDP)
- Harmonious co-existence with nature

FACILITIES GROWTH & SERVICE ENHANCEMENTS

Critical Care & Treatment Capacity

- ICU Expansion: Initially started with 7 beds, expanding it to 9 & a major expansion to 25 ICU beds this year including MICU, SICU, NICU & PICU and strengthening critical care delivery.
- Dedicated Isolation facility for infectious disease management.

New Clinical Departments & Specialty Services

Departments

- Endocrinology
- Clinical Psychology
- Rheumatology
- Vascular Surgery

Specialty Clinics Initiatives

Diabetic Foot Care Clinic

Specialised care for prevention and treatment of diabetic foot. A dedicated clinic to prevent ulcers, infections and amputations in diabetic patients.

Vertigo Clinic

Specialised evaluation and treatment for dizziness, balance disorders and vertigo-related conditions.

Allergy Clinic

Comprehensive diagnosis and treatment for allergies to help patients breathe, live and feel better.

Paediatric Obesity Clinic

Dedicated integrated clinic & paediatric care for children and adolescents.

New OPDs

Evening OPDs in all departments for the benefit of working class. Sunday OPD to provide accessibility for consultations for patient's weekend convenience.

Physiotherapy

Improved infrastructure and upgraded equipment

Patient Convenience Initiatives

- Lab home collection services started for the convenience of elderly patients.
- Pharmacy Free Home Delivery within a 5 km radius
- Launch of Home Care Physiotherapy Services
- Free Ambulance Services for the needy

AWARDS & RECOGNITIONS

Excellence in Quality: NABH Full Accreditation

This year, Rashtrtthana Hospital achieved the distinguished honour of full accreditation under the National Accreditation Board for Hospitals & Healthcare Providers (NABH), 6th Edition - placing us among only a handful of hospitals in India to meet these rigorous national standards.

For us, it means:

- Patient Safety and Clinical Excellence
- Standardised Systems & Processes
- Credential of Trust
- Continuous Quality Improvement

With this accreditation, we reinforce our promise of delivering not only compassion and empathy, but also clinical excellence, safety and reliability.

ACADEMIC PURSUITS

Jayadev Memorial Rashtrtthana Hospital and Research Centre is currently in the process of obtaining National Board of Examinations in Medical Sciences (NBEMS) accreditation as a Diplomate of National Board (DNB) Postgraduate Centre by following successful fulfilment of the requisite norms and will soon offer DNB programmes in General Medicine, Anaesthesia, and Family Medicine.

COMMUNITY OUTREACH & PUBLIC HEALTH INITIATIVES

Medical Camps :

Actively conducted medical camps to reach and assist diverse segments of the community offering essential healthcare services, screenings, consultations and medical assistance to underserved populations.

Clinic on Wheels :

Delivering Vital Medical Care to the underserved, at their doorstep. The mobile healthcare initiative represents our dedication to bridging healthcare gaps, fostering preventive care and addressing the pressing healthcare needs of those who face limited access to medical services.

Samraksha :

Rashtriya Hospital's specialised care for Thalassemia patients. Initiated in 2013, our commitment extends deeply to those combating Thalassemia, a challenging genetic disorder.

Ensuring these individuals receive the essential life-sustaining care through consistent blood transfusions along with necessary medicines.

Focus on prevention, well-being and inclusivity, making a tangible and profound difference in individuals' lives and the community as a whole.

Poor Patient Fund :

The 'PPF' has been meticulously designed to extend a lifeline to those who find themselves at the crossroads of health and financial adversity, offering the essential medical assistance they urgently require.

Our goal is to bridge the gap between medical necessity and affordability, ensuring that no one is left behind in their pursuit of better health and overall well-being.

Lifestyle consultation :

Our focus spans beyond mere medical treatment, emphasizing a patient-centered approach encompassing physical, emotional, social and spiritual aspects of well-being. This comprehensive lifestyle guidance is pivotal in nurturing individuals towards a more fulfilling life.

Old Age Home Service :

Our commitment to provide specialised healthcare services tailored for residents in old age homes, recognizing the distinct health requirements of our elderly community.

Conducting regular check-ups, healthcare consultations and ongoing support, aiming to safeguard the well-being of individuals during this cherished phase of life.

School Health Program :

Diagnosing and treating health concerns for kids at schools.

To address the malnutrition challenges among children and adolescents, bolstering their health through lifestyle guidance.

To emphasize the importance of managing screen time for students in today's digital age and tackling broader issues affecting their overall health.

To instill habits that nurture life long well-being in the younger generation.

Orphanage Support :

Outreach to conduct comprehensive pediatric health check-ups, encompassing vital examinations such as ophthalmic and dental screenings.

Prioritizing education, empowering these children with knowledge about the significance of health and hygiene practices.

To make them understand the need to proactively care for their well-being, ensuring a healthier and brighter future.

Community Medical Camps (Urban and Rural) :

Providing a range of crucial services including general medical consultations, health screenings, vaccinations and basic diagnostic tests.

This initiative not only address immediate medical needs but also foster a culture of proactive health management.

Yoga & AYUSH Awareness Camps :

Promoting complete wellness through traditional practices for management of lifestyle disorders, stress reduction and preventive health.

Blood Donation Drives :

Organised with active community participation to reinforce emergency care readiness and ensure steady blood supply for critical patients.

Preventive Health Education :

Regular and periodic awareness programs both online and offline
Television talks on Media

Internship Programs	110+ candidates for various departments (HR, Nutrition & Dietetics, Patient Relations, physiotherapy, OT, Pharmacy and Research)

FLAGSHIP HEALTHCARE PROJECT

Clinic on Wheels - Delivering Healthcare at the Doorstep

This mobile medical service is designed for bringing essential care directly to families residing in slums and remote urban pockets.

The unit is staffed by a qualified doctor, nurses and coordinator, Offering primary care services including general consultations, vital screenings, basic diagnostics and free distribution of necessary medicines.

Promoting preventive health practices and early detection of chronic diseases.

Since this service has been nothing less than a lifeline for many residents, feedback from beneficiaries highlights how timely doorstep care has helped improve health outcomes and reduced the burden of seeking medical support elsewhere.

Clinic on Wheels stands as a compassionate outreach effort, reaffirming our commitment to fostering a healthier, more inclusive society with dignity and empathy at its core.

FREE MOBILE MEDICAL SERVICE

- Working since May 2024
- Staffed by a qualified Doctor, Paramedic, Pharmacist and Coordinator

SAMRAKSHA: A Beacon of Hope for Children with Thalassemia

**Samraksha:
Thalassemia Support**

76292+
Blood units issued

A specialized care facility providing integrated treatment solutions for Pediatric and Adult Thalassemia Patients. Our comprehensive services include blood transfusions, iron chelation therapy, diagnostic evaluations, counselling, and nutritional support. We maintain a patient centric approach dedicated to maximising the quality of life of our patients, reducing disease morbidity, and providing essential support for families.

**Beginning (2013):
19 Patients**

**As of Now:
400/month**

**Blood Transfusion in a year:
10,000 units**

Patients from across Bharat including Tamil Nadu, Karnataka, Telangana, Andhra Pradesh, Odisha, and West Bengal—travelled to Samraksha for blood transfusions."

MATRU SWASTHYAM - LOKA SWASTHYAM

Motherhood & Neonatal care Initiatives

Janani Samruddhi - Ensuring Safe Motherhood for All

A dedicated maternal care program that focuses on providing safe, dignified and affordable pregnancy and childbirth services for women from poor backgrounds. With comprehensive antenatal, delivery and postnatal care, the initiative aims to reduce maternal and neonatal risks, ensuring that every mother receives quality healthcare without financial burden.

Matru-Sanjivini - Promoting breastfeeding, dispel the myths and create awareness about breastfeeding

To nurture newborns and empower mothers by reviving the natural bond of nourishment through breastfeeding, strengthening education and support and enabling both mother and child to fully reap its lifelong benefits.

Matru-Bhava - Promoting traditional postpartum care

Community-based program that brings trusted traditional postpartum care to the mother's doorstep, ensuring physical, emotional, and nutritional restoration after delivery.

LIFESTYLE

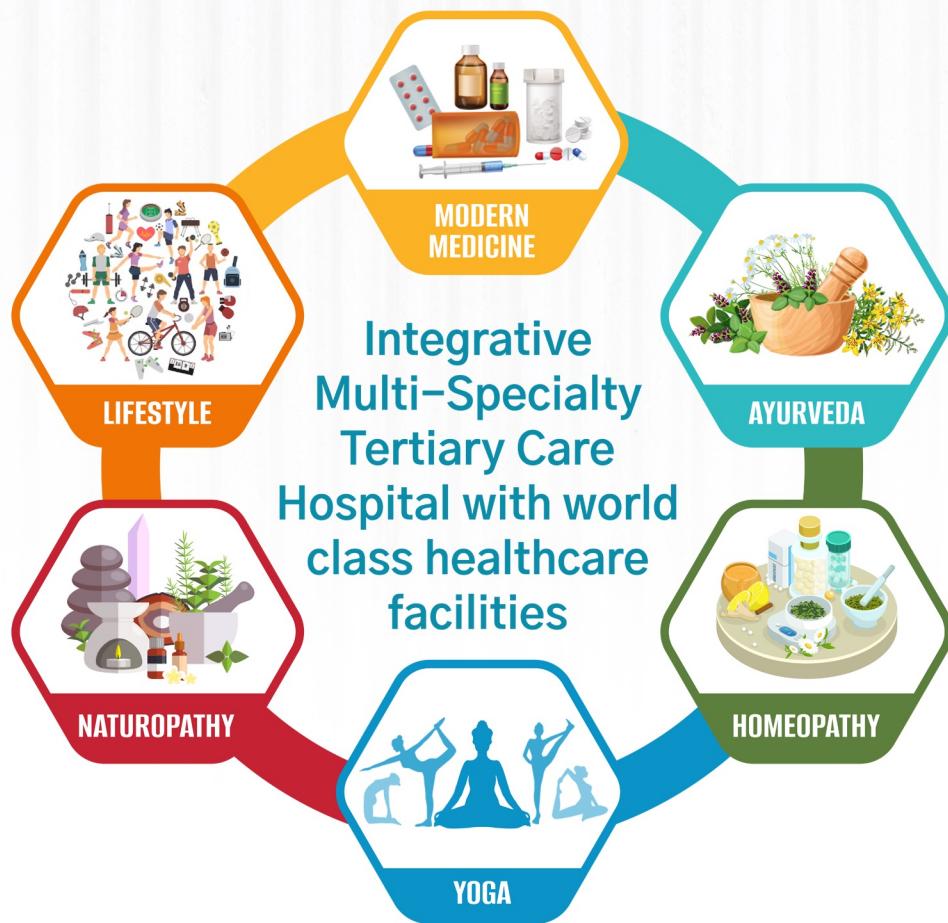

Managing Health, the comprehensive way. This flagship service focuses on prevention of chronic conditions through a scientifically supported approach of Modern Medicine, Ayurveda, Homeopathy, Yoga and Personalized Lifestyle modifications. The initiative empowers patients to enhance their overall well-being and prevent disease with sustainable, complete care.

INTEGRATIVE CLINIC - BRIDGING MODERN MEDICINE WITH COMPREHENSIVE HEALING

A notable progress in delivering holistic and personalized care by combining Allopathic treatment with Ayurveda, Homeopathy, Yoga and lifestyle medicine.

Working closely with the Orthopaedics, Neurosciences, Cardiac Sciences, Endocrinology, Obstetrics and Gynaecology departments, the clinic now helps patients with chronic conditions and hormonal problems.

Specialised programs such as integrated physiotherapy with Ayurvedic therapies, lifestyle counselling and antenatal wellness support have helped patients experience improved recovery and better long-term health.

AGNIVESHA - INSTITUTE OF AYURVEDA

Healing Through Timeless Ancient Wisdom

Agnivesha - Institute of Ayurveda propagates the key principles of Ayurveda and works towards the vision of a healthy society.

Our vision of SWASTHA SUSTHIRA SAMAJAM lies at par with the opinion of Acharya Charaka - SWASTHASYA SWASTHYARAKSHANAM, AATHURASYA VIKARA PRASHANANAM. (to protect the health of the healthy and to cure the diseases of the sick .

The Ayurveda department in our hospital is fully fledged & functional with all the facilities of Panchakarma.

Statistical data shows an average of 35 Upakarma / Panchakarma procedures per day, 600-650 procedures in a month, 5250 beneficiaries in the last calendar year (including OP and IP), evidently pointing towards the wide reception of Ayurveda.

Taking the wisdom from Classical Ayurveda texts and blending them with the modern diagnostics and understandings, we ensure quality of life through time-tested traditional wisdom and compassionate care.

DISASTER RESPONSE TEAM - SERVING THE NATION IN TIMES OF CRISIS

Wayanad Disaster Relief

Rashtronthana Hospital Team being deployed to deliver immediate medical relief, demonstrating our readiness and commitment to stand with communities in their most challenging moments.

Rashtrtthana Research Centre

RASHTRTTHANA RESEARCH CENTRE: INTEGRATIVE HEALTHCARE & SCIENTIFIC EXCELLENCE

Rashtrtthana Research Centre is an in-house research facility under the aegis of Rashtrtthana Hospital, fostering collaborative, evidence based, patient centered integrative medical research, merging various branches of healthcare including Biomedicine, Ayurveda, Homeopathy, Naturopathy and Yoga.

The Centre enables doctors & healthcare experts to work together on evidence based innovations, integrating diagnostics, therapeutics, lifestyle sciences and preventive medicine. The Centre stands on a strong institutional foundation guided by a scientific advisory council, with a mission of Pioneering newer therapeutic modalities through rigorous patient-centric research and interdisciplinary collaboration, promoting integrated healthcare research to explore the synergy and complementarity between modern and Indian medical systems and lifestyle interventions , developing clinical approaches and strategies for prevention and management of a wide range of diseases and conditions leading to healthier society and dissemination of knowledge through public engagement.

The Centre also focuses on cultivating strategic partnerships, translating integrated knowledge into improved patient outcomes and scalable healthcare models.

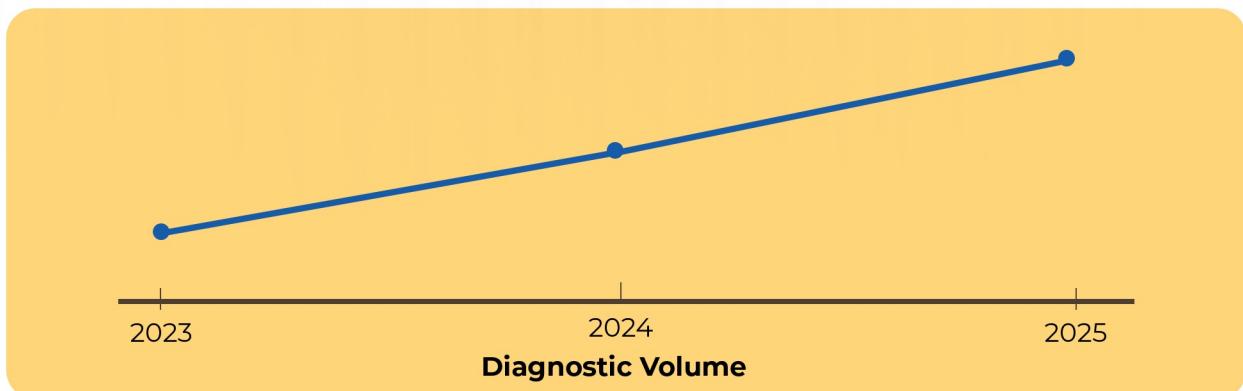

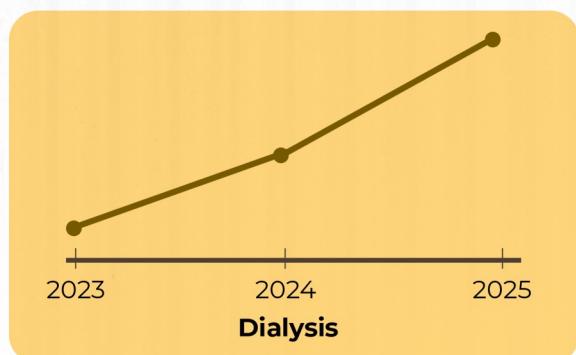

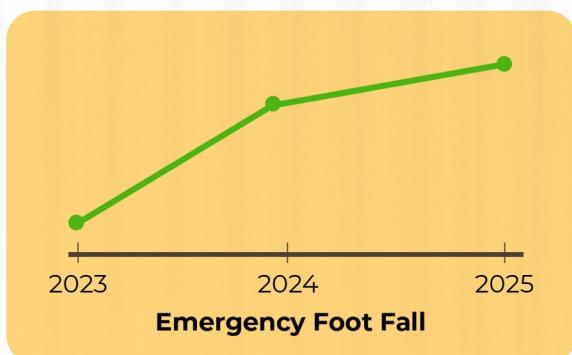

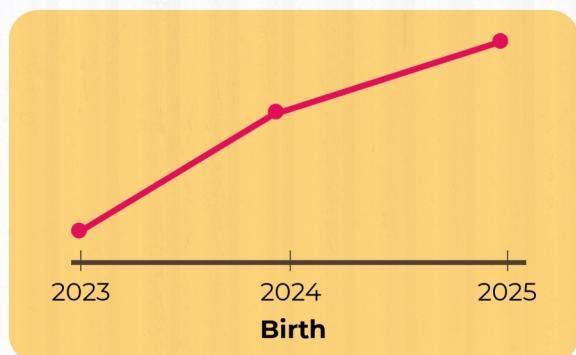

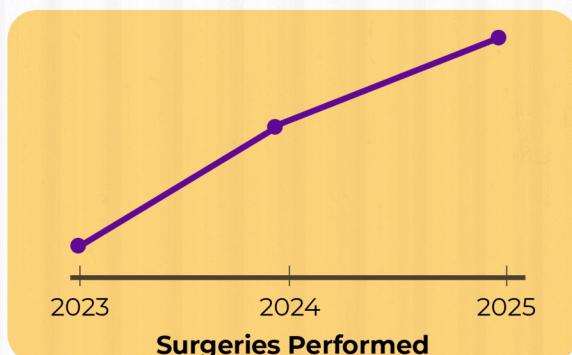

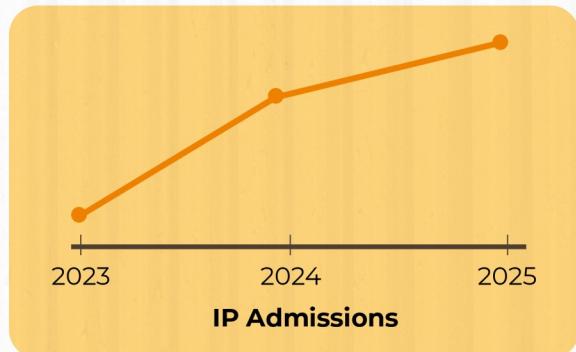

Instrumental in conducting academic outreach programs in the hospital such as conduct of Seminars, Continued Medical Education programs and Symposiums to advance the knowledge repertoire and trigger inquisitiveness in students and doctors across.

The Centre currently has taken up clinical trials on integrating Ayurveda and homeopathic therapies to minimize the health issues in patients of Thalassemia. Multiple research programs have been envisaged in areas such as Obstetrics and Gynaecology, Anaesthesiology, Yogic sciences, Cardiology and metabolic disorders through integrated approach.
